

## Fairfield Vision of a Graduate

The fulfillment of the mission, for all students, PK-12+, demands our ongoing commitment to realize the Vision of a Graduate.

All students will be:

- Innovators
- Communicators
- Collaborators
- Critical Thinkers
- Responsible Citizens
- Goal Directed- Resilient Learners

### **Guided by Learning Principles**

In order to achieve the Mission of the Fairfield Public Schools and fulfill for every student the Vision of the Graduate, the educators are committed to the following **Learning Principles** –

- Learning involves teachers and students who are passionate learners.
- Learning celebrates the belief that all learners are capable of success and growth.
- Learning explores the creation of meaning and the extension of knowledge through its application to relatable real world conditions.
- Learning encourages academic and social risk taking and open communication in a safe community.
- Learning inspires self-assessment, reflection, and continuous adjustment and adaptation.

When learners develop this mindset of belief in their own capacity and in the significance and value of their work, then they are more able to overcome challenges, solve problems, thrive and celebrate growth.
